

Basic RAA Navigation Theory

The background of the entire image is an aerial photograph of a landscape with green fields, a winding river, and a line of trees in the foreground. Two light blue Cessna aircraft are flying in the sky. The aircraft on the left is slightly higher and further away, with the registration number 24-4563 visible on its tail. The aircraft on the right is lower and closer, with the registration number 24-4544 visible on its tail. Both aircraft have the name 'JAMES' written on the vertical stabilizer.
